

Enabling Our Region’s Clean Energy Future

Our vision is a larger-than-light clean energy future for all: delivering exceptional results today and boldly harnessing opportunities for tomorrow.

Company Overview

For more than 100 years, Duquesne Light Company (DLC) has provided safe and reliable electric service to communities in southwestern Pennsylvania. Today, our core values of safety, integrity, dependability, equity and community enable us to serve more than 600,000 customers in two counties, including the city of Pittsburgh. We are committed to safely powering our customers’ lives while playing a leading role in our region’s clean energy transition. Our vision is to create a larger-than-light, clean energy future for all by delivering exceptional results today and boldly harnessing opportunities for tomorrow.
